Pharaoh dreamed about 7 fat cows and 7 thin cows. Can you cut out these cows and sort out the fat cows from the thin cows using the shapes on the next page? Or you could draw your own fat and thin cows if you like.

Fat Cows

What did Joseph tell Pharaoh that the dream meant? What did Pharaoh do next?

Even though Joseph's brothers had treated him really badly, they were sorry and he forgave them. Can you think of a time when you might need to forgive someone who has treated you badly or done something that has really upset you?

Draw or write about it here.
