

This week's story is in Luke's Gospel (Luke 24:36 - end). It tells us about Jesus' meeting with his friends after his resurrection. 'Peace' is the message he brings them.

Read the story in a Bible storybook or use the video, then explore it more using some of these ideas. If you would like a bit of a structure, scroll to the end.

We pray for peace in our world, and an end to war. Instead of hatred, let there be love. Shelter your children and protect us. Guide us and keep us from harm, so we can build a world of love and live our lives in peace ...

The attached reflective colouring sheet reminds us that when Jesus appeared to his friends, he helped them to understand what the Scriptures (Bible) said about him. As you colour it, talk together about who or what helps us understand the Bible.

Think of and talk about situations where two sides are fighting with each other. This could be anywhere in the world (e.g. wars) or much closer to home and involve people they know or even themselves.

If you like a structure, try this:

- Read or watch the story of Jesus appearing to his friends.
- As you colour the attached sheet, wonder together why peace is so important.
- Make some Peace Doves together. Decide together where they could hang in your home to remind you to be people of peace.
- Use one of the prayer ideas to pray for peace in the world.
- Learn the song Peace Perfect Peace. Maybe it could become part of a meal or bedtime routine.
- Finish by saying The Lord's Prayer together.

I hope that you have a good week.
